Tulsa Service Tech Protects Customer from Intruder

Talk about an uncomfortable welcome to your new neighborhood. You just bought a new property, called Oklahoma Natural Gas to set up gas service, then forget to lock your front door. Next thing you know, a stranger has managed to enter and hide in your house.

That's what happened to one of our Tulsa-area customers recently.

Luckily, Kevin C., an Oklahoma Natural Gas service tech, was at the home assisting the customer with her gas service and was able to keep the customer safe when the intruder started behaving erratically.

5 Tips to Save Money this Summer

- 1** Run dryers, dishwashers and other large appliances after dark.
- 2** Seal doors & windows to keep cool air in and warm air out.
- 3** Check all vents to ensure they're open and dust-free.
- 4** Switch to a low-flow showerhead to reduce water and energy usage.
- 5** Save energy by upgrading to high-efficiency natural gas appliances.
